

# S64S

|                |               |
|----------------|---------------|
| Product Family | Hob           |
| Built-in       | Traditional   |
| Dimensions     | 60 cm         |
| Power supply   | Gas           |
| Type           | Gas           |
| EAN code       | 8017709175733 |

## Aesthetics

|                               |                   |

| Aesthetics                    | Cucina            |
| Colour                        | Stainless steel   |
| Finishing                     | Brushed           |
| Material                      | Stainless Steel   |
| Type of steel                 | Brushed           |
| Pan stands                    | Enamelled flat    |
| Burners                       | Smeg Contemporary |
| Burner Material               | Aluminium         |
| Type of control setting       | Control knobs     |
| Control knobs position        | Lateral           |
| No. of controls               | 4                 |
| Controls colour               | Silver            |
| Serigraphy colour             | Black             |
| Alternative colours available | White, Black      |

## Program / Functions

|                         |   |
|-------------------------|---|
| No. of gas cook zones   | 4 |
| Total no. of cook zones | 4 |

## Options

|                  |                    |
|------------------|--------------------|
| Standard cut out | 478-482x555-560 mm |
|------------------|--------------------|

## Technical Features

Front left - Gas - Rapid - 3.10 kW

Rear left - Gas - Semi Rapid - 1.80 kW

Rear right - Gas - Semi Rapid - 1.80 kW

Front right - Gas - AUX - 1.10 kW

|                          |     |                           |     |
|--------------------------|-----|---------------------------|-----|
| <b>Gas safety valves</b> | Yes | <b>Automatic Ignition</b> | Yes |
|--------------------------|-----|---------------------------|-----|

## Electrical Connection

|                               |              |                                  |          |
|-------------------------------|--------------|----------------------------------|----------|
| <b>Nominal power (W)</b>      | 1 W          | <b>Frequency (Hz)</b>            | 50/60 Hz |
| <b>Voltage (V)</b>            | 220-240 V    | <b>Power supply cable length</b> | 120 cm   |
| <b>Type of electric cable</b> | Single phase |                                  |          |

## Gas Connection

|                                   |                    |                                       |         |
|-----------------------------------|--------------------|---------------------------------------|---------|
| <b>Gas Type</b>                   | G20 Natural gas    | <b>Other gas connections provided</b> | Conical |
| <b>Gas connection</b>             | Cilindrical        |                                       |         |
| <b>Other gas nozzles included</b> | G30 GPL Liquid gas | <b>Gas connection rating (W)</b>      | 7600 W  |

## Compatible Accessories

---

**7520EB**

White cover suitable for 60 cm side control hobs.

**7520NE**

Black cover suitable for 60 cm side control hobs.

**7520X**

Glass cover suitable for 60 cm side control hobs.

**BB3679**

Cast Iron griddle

**GRC60**

Cast Iron pan stands suitable for 60 cm hobs.

**TPK**

Stainless steel grill plate to cook Teppanyaki dishes

**WOKGHU**

Cast-Iron WOK Support

---

## Symbols glossary

---

Standard installation: Traditional installation in tabletop, suitable for any kitchen sets

Knobs control

---

## Benefit

---

### **Gas hobs**

Consistent heat source control and easy, immediate temperature adjustment

Equipped with a thermocouple, the gas supply is cut off if the flame is extinguished for greater safety.

### **Inox**

Maximum resistance even at high temperatures: the stainless steel surface ensures durability and deformation resistance, withstanding thermal shocks without damage

### **Enamelled flat**

Shock resistance ensured by durable materials and design, with dishwasher-safe surfaces and Made in Italy quality for long-lasting practicality.

### **Smeg Contemporanea**

Optimal cooking with every dish: burners combine high performance, efficiency, and practicality, ensuring precise, even results even with intensive use.

Accurate power adjustment via control knobs, for more precise cooking control

### **Control knob position lateral**

Greater safety: side knob placement makes them hard to reach for children, reducing the risk of accidental ignition.

4 burners for every need: cook with precision and versatility thanks to different power levels, ideal for any pot and for managing multiple dishes simultaneously.

### **Gas safety valves**

Automatic protection against gas leaks: the thermocouple stops gas flow in the absence of flame, ensuring a safe environment even during unexpected shutdowns.
