Symbols glossary

 A yellow arrow pointing left with the letter "E" inside, followed by a small "A" in a circle.	Energy efficiency class E	 A small square with the word "LED" in the top half and "DISPLAY" in the bottom half.	LED display: to show programmes, functions and options selected and the time to the end of the cycle.
 A small square containing a snowflake-like pattern with a circular arrow around it.	Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.	 A small square with the word "LED" in the top half and "INTERIOR" in the bottom half.	LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.
 A small square containing a circular arrow with the word "INVERTER" inside.	Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.	 A small square with the number "178" and the word "cm" below it, with arrows pointing up and down.	Built-in niche
