Symbols glossary

LCD display: to optimize performance and simplify the use of the appliance.

Fast freezing: The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.

Built-in niche

No Frost: The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.

Energy efficiency class D
