

SAIG6954R

Product Family	Hob
Built-in type	Ultra-low profile
Dimensions	90 cm
Power supply	Mixed
Type	Mixed
EAN code	8017709317904

Aesthetics

Aesthetic	Dolce Stil Novo
Colour	Black
Finishing	Copper
Material	Glass
Glass type	Ceramic
Glass edge	Straight edge
Glass on Steel	Yes
Serie	New
Pan stands	Cast iron
Burners	Smeg Contemporary
Burners Material	Brass
Type of control setting	Multi Slider
Slider	Yes
Control knob position	Front
No. of controls	1
Controls colour	Steel effect
Serigraphy colour	Grey

Options

Multizone Option	Yes	End of cooking alarm	Yes
Flexible Zone Type	MultiZone	Residual time indicator	Yes
Standard cut out	482-486x844-848 mm	Limited Power Consumption Mode	Advanced Eco Logic
Multizone Option	Yes		

Multizone Option	Yes	Limited Power Consumption Mode in W	2400 a 7400 - step 100 W
Keep warm automatic function	Yes	Showroom Demo Option	Yes
Grill function	Yes	Control Lock / Child Safety	Yes
End cooking timer	4	Bridge option	Yes
Pause option	Yes	Quick start	Yes
Minute minder	1	Rapid level selection	Yes

Technical Features

38.5x23.0 cm

38.5x23.0 cm

Automatic setting according to pan dimension	Yes	Automatic switch off when overheat	Yes
pan detection	Yes	Automatic switch off when overflow	Yes
Permanent Automatic Pot Detection with indication of the relative control	Yes	Residual heat indicator	Yes
Gas safety valves	Yes	Protection against accidental start up	Yes
Automatic Ignition	Yes		

Accessories Included

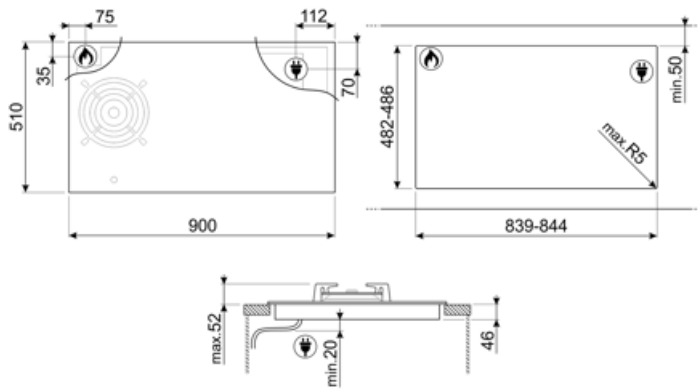

Cast iron wok support 1

Electrical Connection

Electrical connection rating (W)	7400 W	Type of electric cable	Single and Double phase
Current	33 A	Frequency (Hz)	50/60 Hz
Voltage (V)	220-240 V	Power supply cable length	120 cm
Voltage 2 (V)	380-415 V		

Gas Connection

Gas Type	G20 Natural gas	Other gas nozzles included	G30 GPL Liquid gas
Gas connection	Cilindrical	Other gas connections provided	Conical

Not included accessories

LGCN

Connecting Strip Built-in hobs, stainless steel, 475/495 mm

Symbols glossary (TT)

	Automatic merge of zones for a bigger area		...
	...		Power booster: option allows the zone to work at full power when very intense cooking is necessary.
	Ultra-low profile: Installation of product with flat edge - height of 1 mm.		Heavy duty cast iron pan stands: for maximum stability and strength.
	Child lock: some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed.		Premium individual Slider control for each zone
	The slider control panel allows you to adjust the power simply by passing your finger across the touch device.		Small cut-out for easy installation
	Additional maximum power level for a better energy consumption		Darkness becomes light
	Reinforced base: A reinforced base, developed exclusively by Smeg, consists of a steel layer fixed to the underside of the glass surface of all gas on glass hobs.		...
	Keep warm function: Keep warm function keeps the cooked food heated. In this mode the heating zone operates at a minimum capacity for 120 minutes and then turns off automatically.		Overheat protection: The safety system that automatically turns off the hob in case of overheating of the control unit.
	Multizone: allows several pans to be used at once, large or small, offering freedom of placement and greater flexibility		Overfill protection: The special overflow protection shuts down the stove in the presence of overflow of liquids.
	PAUSE_72dpi		Quick selection, with one touch cooking begins at the highest level, then automatically reduces after time. Ideal for dishes that require quick boiling and then continued cooking without constant control (eg beef broth).
	Quick Start function: the chosen temperature is reached faster. The heating element works at maximum power until the right temperature is reached.		Indication of residual heat: After the glass ceramic hob is switched off the residual heat indicator shows which of the heating zones still remains hot. When the temperature drops below 60 ° C, the indicator goes out.
	Time elapsed: shows how long the cooking zone has been in use.		Timer: All ceramic hobs have a timer which automatically ends cooking after a preset time.
	TWIN_ZONE_72dpi		...
