Refrigerator Inner Door

No. of door shelves with transparent cover	1	No. of bottle shelves	3
Number of adjustable door shelves	1		

Other Refrigerator features

Accessories	Egg tray	Fan	Yes
Natural Plus Blu Light	Yes	Ionizer	Yes
MultiFlow	Yes	Antibacterial odour filter	Yes

Freezer compartment features

Number of drawers	2	Type of internal light (freezer)	LED
No. of shelves	3		
Internal light in freezer	Yes	Type of shelves	Glass

Freezer Inner Door

No. of adjustable door shelves	5
--------------------------------	---

Other Freezer features

Fast freezing compartment	Yes	Ice tray shelf	Yes

Other technical features

Functions display	Fast freezing, Fast cooling, Control lock
Fast freezing button	Yes
Water network connection	
Door open alarm	Yes
Temperature Alarm	Yes
Antibacterial Gasket	Yes
Type of temperature control	Electronic
No. of compressors	1

Refrigerant gas type	R600a
Type of compressor	Inverter
Refrigerant Quantity (g)	75 g
Foam agent	Cyclopentane

Performance / Energy Label - Reg. 2019

Airborne acoustical noise emissions 40 dB(A) re 1 pW

Electrical Connection

Electrical connection rating	199 W	Voltage (V)	220 V
Current	1,5 A	Frequency (Hz)	50 Hz

Logistic Information

Width	912 mm	Product width with maximum doors opening	1656 mm
Depth without handle	690 mm	Product depth with handle	742 mm
Height	1770 mm		

Symbols glossary

 A small icon showing a square with four stars inside, representing a four-star freezing compartment.	4 stars freezing compartment for better food preservation.	 A small icon showing a square with the text "Active ION" inside, representing the Smeg Active Ion system.	Smeg Active Ion system improves the quality of the air inside the cell. Thanks to the generation of negatively charged ions released inside the fridge Active Ion system neutralizes unpleasant dust.
 A small icon showing a square with a snowflake and a defrosting symbol inside, representing the automatic defrost system.	The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.	 A small icon showing a square with a circle containing a cross and the text "BACTERIA STOP" inside, representing antibacterial treatment.	Antibacterial treatment: antibacterial treatment to ensure better hygiene.
 A small icon showing a square with a keyhole and a lock symbol inside, representing a child lock.	Child lock: some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed.	 A small icon showing a square with the letters "LCD" and "DISPLAY" inside, representing an LCD display.	LCD display: to optimize performance and simplify the use of the appliance.
 A small icon showing a square with a snowflake and a fan symbol inside, representing a ventilated system.	Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.	 A small icon showing a square with a snowflake and a downward arrow symbol inside, representing fast freezing.	Fast freezing: The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.
 A small icon showing a square with a fingerprint and a checkmark symbol inside, representing fingerprint proof stainless steel.	Fingerprint proof stainless steel: Fingerprint proof stainless steel keeps stainless steel looking as good as new.	 A small icon showing a square with the letters "LED" inside, representing LED interior lighting.	LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.
 A small icon showing a square with a circular arrow and the word "INVERTER" inside, representing inverter technology.	Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption.	 A small icon showing a square with a circular arrow and the word "MULTIFLOW" inside, representing the Multiflow Cooling System.	Multiflow Cooling System: the Multiflow ventilation system allows an even distribution of cool air around the fridge cabinet.
 A small icon showing a square with the words "NATURAL PLUS" inside, representing Natural Plus Blu Light.	Natural Plus Blu Light: This unique Natural Plus Blu Light system works with nature to increase the storage time of fruit and vegetables.	 A small icon showing a square with a snowflake and a circle with a minus sign inside, representing the No Frost system.	No Frost: The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.
