

UKFF18EN2HB

Product Family Freezers
Installation Free Standing
Category Single door
Cooling type No Frost
Hinge type Standard
Hinge position Left
Reversible door Yes

Symbols glossary

4 stars freezing compartment for better food preservation.

A++: Energy efficiency class A++ helps to save up to 20% energy compared to class A. Maximum performance with minimum consumption is guaranteed.

Fingerprint proof stainless steel: Fingerprint proof stainless steel keeps stainless steel looking as good as new.

Inverter technology: The evolution of Smeg's driers towards more intelligent and environmentally sustainable models has led to the choice of using Inverter technology with heat pumps, which reduces significantly energy consumption.

No Frost: The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.

Energy efficiency class E

SMEG SPA 24/07/2025

Benefit

No-Frost Cooling System

The No Frost system prevents the formation of ice and contributes to better preservation of food in the refrigerator

Reversible Door

Reversible door ensures flexible installation and space optimisation

Climatic Class

Climatic class SN-T makes the appliance suitable for working at room temperature between 10 $^{\circ}$ C and 43 $^{\circ}$ C (50 $^{\circ}$ F \sim 109 $^{\circ}$ F)

External Handle

The external handle ensures practicality and ease of use of the freezer

R600a Refrigerant Gas

Environmentally friendly R600a refrigerant gas contributes to rapid cooling with lower energy consumption
