

UKU8F082DE

Product Family Freezers Installation Built-in **Built-In Niche** 82-87 cm Category Under counter Until 60 cm Reference width Until 100 cm Reference height

Cooling type Static

Door on door Hinge type

Hinge position Right Reversible door Yes

Aesthetics

Universal Side material **Aesthetics** Metal Colour White Silk screen Design Flat Drawers profile colour Silver Material Steel

Freezer compartment features

Number of drawers 3

Other technical features

Refrigerant gas type R600a Freezer compartment Ice cube tray accessories Type of compressor Standard Fast freezing button Yes 45 q

Refrigerant Quantity Power on lamp Yes (gr)

Temperature alarm Yes Foam agent Cyclopentane

lamp Max weight door panel 41 kg

Type of temperature Electro-mechanical (freezer)

control Metal panel on the back PP+AI foil

No. of compressors 1 of the fridge

Performance / Energy Label

E A

Annual energy Thaw time 13.50 h 176 kWh/year consumption

SMEG SPA 25/11/2025

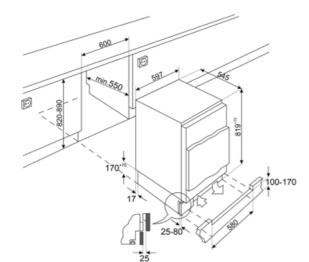

Total volume 95 I 4 star - Freezing 7,1 kg/24h capacity **Energy efficiency class** Ε Climatic class SN, N, ST, T Airborne acoustical С EEI noise emission class 100 % Sum of the volumes of 95 I the frozen compartment(s)

Plug

(G) UK e Singapore

Electrical Connection

Nominal power 120 W Frequency (Hz) 50 Hz Current 0,8 A Power supply cable 240 cm Voltage 230-240 V length

SMEG SPA 25/11/2025

Symbols glossary

4 stars freezing compartment for better food preservation.

Energy efficiency class E

Built-in niche
