## Symbols glossary

---

	Cupboard width required for sink installation.		Sink depth - depending on the model, the depth can be from 13 to 24,5.
	Flat: Installation of product with flat edge.		Flush-fitted installation: Models of sinks/hobs which are integrated flush with the tabletop of a kitchen unit.
	A unique waste kit totally integrated with the sink gives an elegant effect and guarantees greater hygiene with the continuous surface allowing you to combine convenience with total safety during the food preparation. The new plug design is ergonomic and it's easier to extract.		On this sink it is not possible to install the waste disposal
