**KITSTR**

1 Bowl automatic pop up waste kit with rectangular overflow and round knob

---

## Symbols glossary

---

Cupboard width required for sink installation.

Sink depth - depending on the model, the depth can be from 13 to 24,5.

Standard installation: Traditional installation in tabletop, suitable for any kitchen sets.

---

## Benefit (TT)

---

### **One bowl**

A single bowl for greater adaptability, capacity and space optimisation

### **Double tap hole**

The sink is easily reversible, making it possible to create any type of kitchen composition

### **Pop-up command**

The pop-up command allows the sink drain to be opened and closed remotely with a simple gesture and without the need to touch the plug directly, increasing convenience and hygiene in the kitchen

### **Tap hole**

Possibility of having the tap hole for direct installation of the tap on the sink, for a larger and neater surface area
