**KITPLV2**

Kit extension for dishwasher and washing machine: lenght mt. 2

## Symbols glossary

 <p><b>Variable load:</b> In all models of washing machines is present the system of variable load, according to which the machine automatically diversifies the wash cycle and the time of operation depending on the quantity and type of laundry introduced, allowing a significant saving of water and energy power, up to 30% compared to the versions with fixed load.</p>	 <p><b>Automatic Load Balancing:</b> provides an ideal distribution of laundry in the drum. In case if the imbalance is detected, the rotation speed starts being controlled in such way to evenly redistribute laundry in the drum, and thus reduce vibration.</p>
 <p><b>Child lock:</b> some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed.</p>	 <p><b>LED display:</b> to show programmes, functions and options selected and the time to the end of the cycle.</p>
 <p><b>34 cm:</b> Large loading hatch of 34 cm in diameter, makes laundry loading and unloading easier and faster with maximum ease of use.</p>	 <p>This option advises when the periodic cleaning of the filters is needed, in order to avoid forgetfulness and thus guarantee the perfect functioning of the dryer over time. The convenient position of the filters makes maintenance fast and extremely simple.</p>
 <p><b>Inverter technology:</b> The evolution of Smeg's driers towards more intelligent and environmentally sustainable models has led to the choice of using Inverter technology with heat pumps, which reduces significantly energy consumption.</p>	 <p><b>Antiallergic:</b> Antiallergic program with particular attention to the total removal of residual detergent.</p>
 <p>To drain the water in the machine.</p>	 <p><b>Extra Rinse:</b> Extra Rinse: adds an extra rinse cycle to that already provided in the program chosen, to remove any residual detergent. This function is particularly suitable for those with allergies or skin problems.</p>
 <p><b>Hand wash:</b> this specific programme for delicate fabrics uses slower rotations of the drum to ensure the utmost care for clothing.</p>	 <p><b>Jeans:</b> a washing cycle which is kind to the colour and fabric of denim whilst minimising wrinkles.</p>
 <p><b>Mixed fabrics:</b> this cycle is designed for lightly soiled laundry in a mix of cottons and synthetics, or can be used just to refresh stored items.</p>	 <p><b>Super fast:</b> a programme designed to wash small amounts of laundry fast, ideal for washing lightly soiled garments.</p>
 <p><b>Refresh:</b> an ideal program to refresh the garments that have been kept for a long time indoors and eliminate unpleasant odors, without having to wash.</p>	 <p><b>Extra rinse:</b> The Extra rinse option: can be added to the selected programme when more thorough cleansing of special fabrics is needed.</p>
 <p><b>Gym:</b> Gym, a cycle designed for washing lightly soiled garments, ie sports wear, this is a fast wash which is also kind to fabrics.</p>	 <p>Option that allow to reduce times of the selected program.</p>
 <p>SOAK_72dpi</p>	 <p><b>Steam Option:</b> the steam is perfect for smoothing out creases, refreshing fabrics, neutralizing odors and releasing dirt, destroying allergens more quickly than by washing the item in water.</p>

**Jeans / Dark garments:** Special cycle designed to meet the washing needs of jeans or dark garments. The program allows you to wash the garments respecting colors and minimizing creases thanks to minimal mechanical action and low temperatures.

**Self Clean:** this programme, to be run with an empty drum, thoroughly cleans the inside of the washing machine by removing fabric and detergent residues, as well as bacteria that can accumulate during low-temperature washes.

**PowerWash:** this programme is ideal for small, moderately soiled loads, providing an intensive wash cycle in under one hour.

## Benefit (TT)

---

Standard dimensions to fit any home environment, with optimal capacity and advanced features

### **15 programmes**

Up to 15 programmes to meet every daily need

### **LED Display**

With soft touch control and LED lights for intuitive and fast setting and selection of each option

### **Steam Energy Technology**

Perfect removal of stains, smells, creases and allergens using steam

Steam Energy technology, uses steam, at the beginning or end of the cycle depending on the programme, to remove stains, creases, smells and allergens.

### **Inverter**

Brushless, it offers greater energy efficiency, lower consumption and longer life, reducing wear and noise. It optimises consumption and ensures high performance while maintaining high washing efficiency.

### **Giant door**

The size of the door offers greater convenience and versatility, facilitating the loading and unloading of laundry thanks to its wide opening, and gives a more premium and elegant look, enriching the overall design of the appliance
