

WO-30-01

Family Water treatment

Subfamily Osmosis Width 300 mm 445 mm Depth Height 700 mm

8017709284794 **EAN** code

Equipments

Filters burnout alert Yes

Overflow alert Yes Yes

Automatic temporized membrane flow during extended inactivity

Permeate salinity regulator and viewer Yes Pump drayness protection Yes

Construction

Storage tank volume 12 I Max-min. incoming 1,5-6

water pressure (bar) Production per hour 240 l/h Incoming water 35 Recovery rate (%) 35 (=25°F) maximum hardness (°F)

Incoming water 30 Incoming water max. maximum temperature

 $1200 \mu S/cm$ conductivity (°C)

Incoming water 0,2

chlorine/ferric quantity (mg/l)

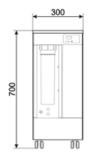

Consumption and connections

Electric connection 230 V / 3 A / 50 Hz Electric connection/total 690 W

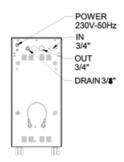

power

SMEG SPA 30/4/2025
