

WO-20-01

Design-Serie	Water treatment
Unterkategorie	Osmosis
Produktbreite	150 mm
Produkttiefe	550 mm
Produkthöhe	490 mm

Equipments

Filters burnout alert	Ja
Overflow alert	Ja
Automatic temporized membrane flow during extended inactivity	Ja
Permeate salinity regulator and viewer	Ja
Pump dryness protection	Ja

Konstruktion

Storage tank volume	2 l	Max-min. Druck	1,5-6
Production per hour	120 l/h	Wasserzulauf	
Recovery rate (%)	20	Incoming water	35
Incoming water	35	maximum hardness (°F)	
maximum temperature (°C)		Incoming water max. conductivity	1200 µS/cm
		Incoming water chlorine/ferric quantity (mg/l)	0,2

Verbrauch und Anschluss

Anschlusswert	220-240 V / 3 A / 50-60 Hz	Elektrischer Gesamtanschluss	690 W
---------------	----------------------------	------------------------------	-------
