Symbols glossary

4 stars freezing compartment for better food preservation.

A+: Energy efficiency class A+ helps to save up to 10% energy compared to class A. Maximum performance with minimum consumption is guaranteed.

Fast freezing: The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

No Frost: The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.

Child lock: some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed.

LCD display: to optimize performance and simplify the use of the appliance.
