

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

Supplier's name or trade mark:: SMEG

Supplier's address: Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

Model identifier: C81721EI

## Type of refrigerating appliance:

|                         |    |                                |          |
|-------------------------|----|--------------------------------|----------|
| Low-noise appliance:    | No | Design type:                   | Built-in |
| Wine storage appliance: | No | Other refrigerating appliance: | No       |

## General product parameters:

| Parameter   | Value                       | Parameter   | Value                               |
|---|-----------------------------|---|-------------------------------------|
| Overall dimensions (millimetre)   | Overall dimensions - Height | 1772  | Total volume (dm <sup>3</sup> or l) |
|   | Overall dimensions - Width  | 540   |                                     |
|   | Depth                       | 549   |                                     |
| EEL   | 100                         | Energy efficiency class   | E                                   |
| Airborne acoustical noise emissions (dB(A) re 1pW)                                  | 34                          | Airborne acoustical noise emission class  | B                                   |
| Annual energy consumption (kWh/a)   | 220                         | Climate class   | SN, N, ST, T                        |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 10                          | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                                  |
| Winter setting:   | No                          |   |                                     |

## Compartment Parameters:

| Compartment type                 | Compartment parameters and values |   |   |                            |   |
|----------------------------------|-----------------------------------|---|---|----------------------------|---|
|                                  |                                   | Compartment volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity(kg/24 h) | Defrosting type(auto - defrost = A, manual defrost = M) |
| Pantry                           | No                                | —   | —   | —                          | —   |
| Wine storage                     | No                                | —   | —   | —                          | —   |
| Cellar                           | No                                | —   | —   | —                          | —   |
| Fresh food                       | Yes                               | 196                                       | —   | —                          | A   |
| Chill                            | No                                | —   | —   | —                          | —   |
| 0-star or ice- making            | No                                | —   | —   | —                          | —   |
| 1-star                           | No                                | —   | —   | —                          | —   |
| 2-star                           | No                                | —   | —   | —                          | —   |
| 3-star                           | No                                | —   | —   | —                          | —   |
| 4-star                           | Yes                               | 72.7                                      | —   | 3.3                        | M   |
| 2-star section                   | No                                | —   | —   | —                          | —   |
| Variable temperature compartment | No                                | —   | —   | —                          | —   |

## For 4-star compartments

|   |     |
|---|-----|
| Fast freeze facility:   | Yes |
| <b>For wine storage appliances</b>  |     |
| —:  | —   |
| <b>Light source parameters:</b>   |     |
| Lighting technology used:   | LED |
| Energy efficiency class of the light source:  | G   |
| <b>Minimum duration of the guarantee offered by the manufacturer:</b> 24 months   |     |
| <b>Additional information:</b>  |     |
