

**Product fiche concerning the Commission Delegated Regulation (EU) No 65/2014 of 1 October 2013 and COMMISSION REGULATION (EU) No 66/2014 of 14 January 2014**

|                                                   |                             |
|---------------------------------------------------|-----------------------------|
| Supplier name or brand                            | SMEG                        |
| Product code                                      | CPF9GMBL1                   |
| Energy class first cavity (2002/40/CE)            | A                           |
| No. of Cavities                                   | 1                           |
| Δείκτης ενεργειακής απόδοσης                      | 95.1                        |
| Energy efficiency class                           | A                           |
| Energy consumption per cycle in conventional mode | 1.21 KWh                    |
| Energy consumption per cycle in fan-forced mode   | 0.98 KWh                    |
| GAS - Energy consumption conventional mode        | 4.36 MJ                     |
| GAS - Energy consumption in forced air convection | 3.53 MJ                     |
| Heat source first cavity                          | PEYMA                       |
| Volume                                            | 115 λίτρα                   |
| Product mass                                      | 80.600 kg                   |
| Type of hob                                       | Αερίου                      |
| No. of cooking zones/areas and/or gas burners     | 6                           |
| Position zone 1                                   | Εμπρός αριστερά             |
| Position zone 2                                   | Πίσω αριστερά               |
| Position zone 3                                   | Μπροστά κέντρο              |
| Position zone 4                                   | Πίσω κέντρο                 |
| Position zone 5                                   | Εμπρός δεξιά                |
| Position zone 6                                   | Πίσω δεξιά                  |
| Heating technology zone 1                         | Αέριο - Υπερταχείας (διπλό) |
| Heating technology zone 2                         | Αέριο – Μικρό               |
| Heating technology zone 3                         | Αέριο – Μικρό               |
| Heating technology zone 4                         | Αέριο - Ημι-ταχείας         |
| Heating technology zone 5                         | Αέριο - Ημι-ταχείας         |
| Heating technology zone 6                         | Αέριο – Ταχείας             |
| Diameter or length/width of zone 2                | Ø=6.7 cm                    |
| Ζώνη EE 1                                         | 54.3                        |
| Ζώνη EE 2                                         | 0                           |
| Ζώνη EE 3                                         | 0                           |
| Ζώνη EE 4                                         | 60                          |
| Ζώνη EE 5                                         | 60                          |
