

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

**Márka:** SMEG

—: —

**Model identifier:** CV100AP

**Type of refrigerating appliance:**

|    |   |                  |               |
|----|---|------------------|---------------|
| —: | — | Üzembe helyezés: | Szabadon álló |
| —: | — | —:               | —             |

**General product parameters:**

| Parameter                       |                           | Value | Parameter | Value |
|---------------------------------|---------------------------|-------|-----------|-------|
| Overall dimensions (millimetre) | Magasság, maximális érték | 821   | —         | —     |
|                                 | Szélesség                 | 480   |           |       |
|                                 | Mélység fogantyú nélkül   | 510   |           |       |
| —                               |                           | —     | —         | —     |
| Zajszint                        |                           | 43    | —         | —     |
| —                               |                           | —     | —         | —     |
| —                               |                           | —     | —         | —     |
| —:                              |                           | —     |           |       |

**Compartment Parameters:**

| Compartment type                 |     | Compartment parameters and values         |                                                                                                                                                         |                            |                                                         |
|----------------------------------|-----|-------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|---------------------------------------------------------|
|                                  |     | Compartment volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity(kg/24 h) | Defrosting type(auto - defrost = A, manual defrost = M) |
| Pantry                           | Nem | —                                         | —                                                                                                                                                       | —                          | —                                                       |
| Wine storage                     | Nem | —                                         | —                                                                                                                                                       | —                          | —                                                       |
| Cellar                           | Nem | —                                         | —                                                                                                                                                       | —                          | —                                                       |
| Fresh food                       | Nem | —                                         | —                                                                                                                                                       | —                          | —                                                       |
