

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

**Brand:** SMEG

**Supplier's address:** Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

**Model identifier:** CV275NE

**Type of refrigerating appliance:**

|                         |    |                                |               |
|-------------------------|----|--------------------------------|---------------|
| Low-noise appliance:    | No | Installation:                  | Free Standing |
| Wine storage appliance: | No | Other refrigerating appliance: | Yes           |

**General product parameters:**

| Parameter   |                       | Value   | Parameter        | Value |
|---|-----------------------|---|------------------|-------|
| Overall dimensions (millimetre)   | Height, maximum value | 1515  | Total net volume | 220   |
|   | Width                 | 597   |                  |       |
|   | Depth without handle  | 655   |                  |       |
| EEL   | 100                   | Energy efficiency class   | E                |       |
| Noise level   | 38                    | Airborne acoustical noise emission class  | C                |       |
| Annual energy consumption   | 228                   | Climate class   | SN, T            |       |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 10                    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43               |       |
| Winter setting:   | No                    |   |                  |       |

**Compartment Parameters:**

| Compartment type                 | Compartment parameters and values |   |   |                            |   |
|----------------------------------|-----------------------------------|---|---|----------------------------|---|
|                                  |                                   | Compartment volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity(kg/24 h) | Defrosting type(auto - defrost = A, manual defrost = M) |
| Pantry                           | No                                | —   | —   | —                          | —   |
| Wine storage                     | No                                | —   | —   | —                          | —   |
| Cellar                           | No                                | —   | —   | —                          | —   |
| Fresh food                       | No                                | —   | —   | —                          | —   |
| Chill                            | No                                | —   | —   | —                          | —   |
| 0-star or ice- making            | No                                | —   | —   | —                          | —   |
| 1-star                           | No                                | —   | —   | —                          | —   |
| 2-star                           | No                                | —   | —   | —                          | —   |
| 3-star                           | No                                | —   | —   | —                          | —   |
| 4-star                           | Yes                               | 220                                       | -20   | —                          | A   |
| 2-star section                   | No                                | —   | —   | —                          | —   |
| Variable temperature compartment | No                                | —   | —   | —                          | —   |

**For 4-star compartments**
