

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

**Tuotemerkki:** SMEG

**Supplier's address:** Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

**Model identifier:** CVI121S3

## Type of refrigerating appliance:

|                         |     |                                |                    |
|-------------------------|-----|--------------------------------|--------------------|
| Low-noise appliance:    | Ei  | Asennus:                       | Sisäänrakennettava |
| Wine storage appliance: | Yes | Other refrigerating appliance: | No                 |

## General product parameters:

| Parameter   | Value               | Parameter   | Value                |    |
|---|---------------------|---|----------------------|----|
| Overall dimensions (millimetre)   | Korkeus jaloilla    | 457   | Kokonaisnetttilavuus | 56 |
|   | Leveys              | 596   |                      |    |
|   | Syvyys ilman kahvaa | 560   |                      |    |
| EEL   | 124                 | Energialuokka   | F                    |    |
| Melutaso  | 36                  | Äänitason luokka  | C                    |    |
| Vuotuinen energiankulutus   | 100                 | Ilmastoluokitus   | SN, N, ST            |    |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 10                  | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 38                   |    |
| Winter setting:   | No                  |   |                      |    |

## Compartment Parameters:

| Compartment type                 | Compartment parameters and values |   |   |                            |   |
|----------------------------------|-----------------------------------|---|---|----------------------------|---|
|                                  |                                   | Compartment volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity(kg/24 h) | Defrosting type(auto - defrost = A, manual defrost = M) |
| Pantry                           | Ei                                | —   | —   | —                          | —   |
| Wine storage                     | Yes                               | 56  | 12  | —                          | A   |
| Cellar                           | Ei                                | —   | —   | —                          | —   |
| Fresh food                       | Ei                                | —   | —   | —                          | —   |
| Chill                            | Ei                                | —   | —   | —                          | —   |
| 0-star or ice- making            | Ei                                | —   | —   | —                          | —   |
| 1-star                           | Ei                                | —   | —   | —                          | —   |
| 2-star                           | Ei                                | —   | —   | —                          | —   |
| 3-star                           | Ei                                | —   | —   | —                          | —   |
| 4-star                           | Ei                                | —   | —   | —                          | —   |
| 2-star section                   | Ei                                | —   | —   | —                          | —   |
| Variable temperature compartment | Ei                                | —   | —   | —                          | —   |

## For 4-star compartments
