

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

**Brand:** SMEG

**Supplier's address:** Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

**Model identifier:** CVI138LWS2

**Type of refrigerating appliance:**

|                         |     |                                |          |
|-------------------------|-----|--------------------------------|----------|
| Low-noise appliance:    | No  | Üzembe helyezés:               | Beépítés |
| Wine storage appliance: | Yes | Other refrigerating appliance: | No       |

**General product parameters:**

| Parameter                                                                           |                         | Value | Parameter                                                                           | Value     |
|-------------------------------------------------------------------------------------|-------------------------|-------|-------------------------------------------------------------------------------------|-----------|
| Overall dimensions<br>(millimetre)                                                  | Magasság                | 820   | Teljes nettó volumen                                                                | 103       |
|                                                                                     | Szélesség               | 595   |                                                                                     |           |
|                                                                                     | Mélység fogantyú nélkül | 566   |                                                                                     |           |
| EEI                                                                                 |                         | 166   | Energiahatékonysági osztály                                                         | G         |
| Zajszint                                                                            |                         | 40    | Levegőben terjedő akusztikus zajkibocsátási osztály                                 | C         |
| Éves energiafogyasztás                                                              |                         | 140   | Klímaosztály                                                                        | SN, N, ST |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |                         | 10    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 38        |
| Winter setting:                                                                     |                         | No    |                                                                                     |           |

**Compartment Parameters:**

| Compartment type                 |     | Compartment parameters and values            |                                                                                                                                                         |                            |                                                         |
