

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

Leverandørens navn eller varemærke:: SMEG

Supplier's address: Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

Model identifier: FA3905RX5

## Type of refrigerating appliance:

|                         |     |                                |             |
|-------------------------|-----|--------------------------------|-------------|
| Low-noise appliance:    | Nej | Design type:                   | Fritstående |
| Wine storage appliance: | No  | Other refrigerating appliance: | Yes         |

## General product parameters:

| Parameter   | Value                            | Parameter   | Value                       |     |
|---|----------------------------------|---|-----------------------------|-----|
| Overall dimensions (millimetre)   | Overordnede dimensioner - Højde  | 1955  | Total volumen (dm3 eller l) | 481 |
|   | Overordnede dimensioner - Bredde | 704   |                             |     |
|   | Dybde                            | 704   |                             |     |
| EEL   | 99                               | Energieffektivitetsklasse   | E                           |     |
| Luftbåren akustisk støjemissionsklasse (dB(A) re 1 pW)                              | 41                               | Luftbåren akustisk støjemissionsklasse  | C                           |     |
| Årligt strømforbrug (kWh/a)   | 285                              | Klimaklasse   | SN, N, ST, T                |     |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 10                               | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                          |     |
| Winter setting:   | No                               |   |                             |     |

## Compartment Parameters:

| Compartment type                 | Compartment parameters and values |   |                            |   |   |
|----------------------------------|-----------------------------------|---|----------------------------|---|---|
|                                  | Compartment volume (dm3 or l)     | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity(kg/24 h) | Defrosting type(auto - defrost = A, manual defrost = M) |   |
| Pantry                           | Nej                               | —   | —                          | —   |   |
| Wine storage                     | Nej                               | —   | —                          | —   |   |
| Cellar                           | Nej                               | —   | —                          | —   |   |
| Fresh food                       | Yes                               | 343.7   | 4                          | A   |   |
| Chill                            | Nej                               | —   | —                          | —   |   |
| 0-star or ice- making            | Nej                               | —   | —                          | —   |   |
| 1-star                           | Nej                               | —   | —                          | —   |   |
| 2-star                           | Nej                               | —   | —                          | —   |   |
| 3-star                           | Nej                               | —   | —                          | —   |   |
| 4-star                           | Yes                               | 137.4   | -18                        | 8   | A |
| 2-star section                   | Nej                               | —   | —                          | —   |   |
| Variable temperature compartment | Nej                               | —   | —                          | —   |   |

## For 4-star compartments

|   |     |
|---|-----|
| Fast freeze facility:   | Yes |
| <b>For wine storage appliances</b>  |     |
| —:  | —   |
| <b>Light source parameters:</b>   |     |
| Lighting technology used:   | LED |
| Energieeffektivitetsklasse:   | F   |
| <b>Minimum duration of the guarantee offered by the manufacturer:</b> 24 months   |     |
