

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

**Szállító neve vagy védjegye::** SMEG

**Supplier's address:** Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

**Model identifier:** FAB32LBL5

**Type of refrigerating appliance:**

|                         |    |                                |               |
|-------------------------|----|--------------------------------|---------------|
| Low-noise appliance:    | No | Tervezés típusa:               | Szabadon álló |
| Wine storage appliance: | No | Other refrigerating appliance: | Yes           |

**General product parameters:**

| Parameter   |                          | Value   | Parameter                    | Value |
|---|--------------------------|---|------------------------------|-------|
| Overall dimensions (millimetre)   | Teljes méret – Magasság  | 1968  | Teljes térfogat (dm3 vagy l) | 331   |
|   | Teljes méret – Szélesség | 601   |                              |       |
|   | Mélység                  | 728   |                              |       |
| EEL   | 80                       | Energiahatékonysági osztály   | D                            |       |
| Levegőben terjedő zajkibocsátás (dB(A) / 1pW)                                       | 37                       | Levegőben terjedő akusztikus zajkibocsátási osztály                                 | C                            |       |
| Éves energiafogyasztás (kWh/év)   | 204                      | Klímaosztály  | SN, N, ST, T                 |       |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 10                       | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                           |       |
| Winter setting:   | No                       |   |                              |       |

**Compartment Parameters:**

| Compartment type                 | Compartment parameters and values |                               |   |                            |   |
|----------------------------------|-----------------------------------|-------------------------------|---|----------------------------|---|
|                                  |                                   | Compartment volume (dm3 or l) | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity(kg/24 h) | Defrosting type(auto - defrost = A, manual defrost = M) |
| Pantry                           | Nem                               | —                             | —   | —                          | —   |
| Wine storage                     | Nem                               | —                             | —   | —                          | —   |
| Cellar                           | Nem                               | —                             | —   | —                          | —   |
| Fresh food                       | Yes                               | 204                           | 4   | —                          | A   |
| Chill                            | Yes                               | 30                            | 0   | —                          | A   |
| 0-star or ice- making            | Nem                               | —                             | —   | —                          | —   |
| 1-star                           | Nem                               | —                             | —   | —                          | —   |
| 2-star                           | Nem                               | —                             | —   | —                          | —   |
| 3-star                           | Nem                               | —                             | —   | —                          | —   |
| 4-star                           | Yes                               | 97                            | -18   | 6                          | A   |
| 4-star                           | No                                | —                             | —   | —                          | —   |
| 2-star section                   | Nem                               | —                             | —   | —                          | —   |
| Variable temperature compartment | Nem                               | —                             | —   | —                          | —   |

**For 4-star compartments**
