

# Ficha de información del producto

REGLAMENTO DELEGADO (UE) 2019/2016 DE LA COMISIÓN

Nombre o marca del proveedor:: SMEG

Supplier's address: Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

Identificador del modelo: FAB5LWH6

Tipo de aparato de refrigeración:

|                         |    |                                |                   |
|-------------------------|----|--------------------------------|-------------------|
| Low-noise appliance:    | No | Design type:                   | Libre instalación |
| Wine storage appliance: | No | Other refrigerating appliance: | Sí                |

Parámetros generales del producto:

| Parámetro   | Valor                       | Parámetro   | Valor                               |
|---|-----------------------------|---|-------------------------------------|
| Dimensiones totales (milímetros)  | Overall dimensions - Height | 725   | Volumen total (dm <sup>3</sup> o l) |
|   | Overall dimensions - Width  | 404   |                                     |
|   | Profundidad                 | 500   |                                     |
| EEI   | 63                          | Clase de eficiencia energética del modelo   | C                                   |
| Airborne acoustical noise emissions (dB(A) re 1pW)                                  | 36                          | Airborne acoustical noise emission class  | C                                   |
| Annual energy consumption (kWh/a)   | 49                          | Clase climática   | SN, N, ST, T                        |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 10                          | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                                  |
| Winter setting:   | No                          |   |                                     |

Parámetros del compartimento:

| Tipos de compartimento           | Parámetros del compartimento y valores |   |  |                                    |  |
|----------------------------------|--|---|--|------------------------------------|--|
|                                  |  | Volumen del compartimento (dm <sup>3</sup> o l) | Ajuste de temperatura recomendado para conservación optimizada de alimentos (°C). Estos ajustes no contradirán las condiciones de conservación contempladas en el anexo IV, cuadro 3 | Capacidad de congelación (kg/24 h) | Tipo de desescarche (desescarche automático = A, desescarche manual = M) |
| Dispensa                         | No                                     | —   | —  | —                                  | —  |
| Conservación de vinos            | No                                     | —   | —  | —                                  | —  |
| Compartimento bodega             | Sí                                     | 34  | 12   | —                                  | A  |
| Alimentos frescos                | No                                     | —   | —  | —                                  | —  |
| Helador                          | No                                     | —   | —  | —                                  | —  |
| 0 estrellas/Fabricación de hielo | No                                     | —   | —  | —                                  | —  |
| 1 estrella                       | No                                     | —   | —  | —                                  | —  |
| 2 estrellas                      | No                                     | —   | —  | —                                  | —  |
| 3 estrellas                      | No                                     | —   | —  | —                                  | —  |
| 4 estrellas                      | No                                     | —   | —  | —                                  | —  |
