| Nombre o marca comercial del proveedor                                          | SMEG                  |
| Código producto                                                                 | KC19OTE               |
| Annual Efficiency Consumption (AEC <sub>hood</sub> )                            | 57.7 kWh/a            |
| Energy efficiency class                                                         | A                     |
| Fluid Dynamic Efficiency (FDE <sub>hood</sub> )                                 | 31.9                  |
| Fluid Dynamic Efficiency class                                                  | A                     |
| Lighting Efficiency (LE <sub>hood</sub> )                                       | 83.6 lux/W            |
| Lighting Efficiency Class                                                       | A                     |
| Grease Filtering Efficiency                                                     | 77.9 %                |
| Grease Filtering Efficiency Class                                               | C                     |
| Air Flow at minimum speed                                                       | 326 m <sup>3</sup> /h |
| Air flow at maximum speed                                                       | 549 m <sup>3</sup> /h |
| Air flow at boost speed                                                         | 794 m <sup>3</sup> /h |
| Airbourne acoustical A-weighted sound Power Emission at minimum speed           | 50 dBA                |
| Airborne acoustical A-weighted sound Power Emission at maximum speed            | 62 dBA                |
| Airbourne acoustical A-weighted sound power emission at boost speed             | 71 dBA                |
| Time increase factor                                                            | 0.9                   |
| Energy efficiency index                                                         | 53.1                  |
| Measured air flow rate at best efficiency point                                 | 430 m <sup>3</sup> /h |
| Measured air pressure at best efficiency point                                  | 457 Pa                |
| Measured electric power input at best efficiency point                          | 171 W                 |
| Normal Power of the light system                                                | 2 W                   |
| Average illumination of the light on the cooking surface (E <sub>middle</sub> ) | 184 lux               |
| Sound power level at highest setting                                            | 62 dBA                |
