

**Product fiche concerning the COMMISSION REGULATION (EU) No 66/2014 of 14 January 2014**

|                                                                                 |                       |
|---------------------------------------------------------------------------------|-----------------------|
| Supplier name or brand                                                          | SMEG                  |
| Product code                                                                    | KPF9OG                |
| Annual Efficiency Consumption (AEC <sub>hood</sub> )                            | 40.1 kWh/a            |
| Energy efficiency class                                                         | A+                    |
| Fluid Dynamic Efficiency (FDE <sub>hood</sub> )                                 | 36.2                  |
| Fluid Dynamic Efficiency class                                                  | A                     |
| Απόδοση φωτισμού (LE <sub>hood</sub> )                                          | 78.2 lux/W            |
| Κατηγορία απόδοσης φωτισμού                                                     | A                     |
| Grease Filtering Efficiency                                                     | 78.5 %                |
| Grease Filtering Efficiency Class                                               | C                     |
| Air Flow at minimum speed                                                       | 288 m <sup>3</sup> /h |
| Air flow at maximum speed                                                       | 630 m <sup>3</sup> /h |
| Air flow at boost speed                                                         | 781 m <sup>3</sup> /h |
| Airbourne acoustical A-weighted sound Power Emission at minimum speed           | 47 dBA                |
| Airborne acoustical A-weighted sound Power Emission at maximum speed            | 67 dBA                |
| Airbourne acoustical A-weighted sound power emission at boost speed             | 72 dBA                |
| Time increase factor                                                            | 1.00                  |
| Δείκτης ενεργειακής απόδοσης                                                    | 40.3                  |
| Measured air flow rate at best efficiency point                                 | 413 m <sup>3</sup> /h |
| Measured air pressure at best efficiency point                                  | 476 Pa                |
| Measured electric power input at best efficiency point                          | 151 W                 |
| Normal Power of the light system                                                | 2 W                   |
| Average illumination of the light on the cooking surface (E <sub>middle</sub> ) | 172 lux               |
| Sound power level at highest setting                                            | 67 dBA                |
