

**Ficha producto según la REGULACIÓN DELEGADA (UE) N. 65/2014 DE LA COMISIÓN del 1 de octubre 2013 y la REGULACIÓN DELEGADA (UE) N. 66/2014 del 14 de enero 2014**

|                                                                                 |                       |
|---------------------------------------------------------------------------------|-----------------------|
| Nombre o marca comercial del proveedor                                          | SMEG                  |
| Código producto                                                                 | KSED72XE              |
| Annual Efficiency Consumption (AEC <sub>hood</sub> )                            | 89.9 kWh/a            |
| Energy efficiency class                                                         | C                     |
| Fluid Dynamic Efficiency (FDE <sub>hood</sub> )                                 | 23.4                  |
| Fluid Dynamic Efficiency class                                                  | B                     |
| Lighting Efficiency (LE <sub>hood</sub> )                                       | 11.4 lux/W            |
| Lighting Efficiency Class                                                       | E                     |
| Grease Filtering Efficiency                                                     | 75.9 %                |
| Grease Filtering Efficiency Class                                               | C                     |
| Air Flow at minimum speed                                                       | 327 m <sup>3</sup> /h |
| Air flow at maximum speed                                                       | 584 m <sup>3</sup> /h |
| Airbourne acoustical A-weighted sound Power Emission at minimum speed           | 50 dBA                |
| Airborne acoustical A-weighted sound Power Emission at maximum speed            | 63 dBA                |
| Time increase factor                                                            | 1.2                   |
| Energy efficiency index                                                         | 79.2                  |
| Measured air flow rate at best efficiency point                                 | 320 m <sup>3</sup> /h |
| Measured air pressure at best efficiency point                                  | 365 Pa                |
| Measured electric power input at best efficiency point                          | 139 W                 |
| Normal Power of the light system                                                | 40 W                  |
| Average illumination of the light on the cooking surface (E <sub>middle</sub> ) | 457 lux               |
| Sound power level at highest setting                                            | 63 dBA                |
