|                                                                                 |                       |
|---------------------------------------------------------------------------------|-----------------------|
| Nombre o marca comercial del proveedor                                          | SMEG                  |
| Código producto                                                                 | KSEG90XE              |
| Annual Efficiency Consumption (AEC <sub>hood</sub> )                            | 63.3 kWh/a            |
| Energy efficiency class                                                         | B                     |
| Fluid Dynamic Efficiency (FDE <sub>hood</sub> )                                 | 28.1                  |
| Fluid Dynamic Efficiency class                                                  | A                     |
| Lighting Efficiency (LE <sub>hood</sub> )                                       | 97 lux/W              |
| Lighting Efficiency Class                                                       | A                     |
| Grease Filtering Efficiency                                                     | 60 %                  |
| Grease Filtering Efficiency Class                                               | E                     |
| Air Flow at minimum speed                                                       | 300 m <sup>3</sup> /h |
| Air flow at maximum speed                                                       | 570 m <sup>3</sup> /h |
| Air flow at boost speed                                                         | 700 m <sup>3</sup> /h |
| Airbourne acoustical A-weighted sound Power Emission at minimum speed           | 57 dBA                |
| Airborne acoustical A-weighted sound Power Emission at maximum speed            | 74 dBA                |
| Airbourne acoustical A-weighted sound power emission at boost speed             | 76 dBA                |
| Time increase factor                                                            | 1.00                  |
| Energy efficiency index                                                         | 57.8                  |
| Measured air flow rate at best efficiency point                                 | 390 m <sup>3</sup> /h |
| Measured air pressure at best efficiency point                                  | 439 Pa                |
| Measured electric power input at best efficiency point                          | 169 W                 |
| Normal Power of the light system                                                | 3 W                   |
| Average illumination of the light on the cooking surface (E <sub>middle</sub> ) | 320 lux               |
| Sound power level at highest setting                                            | 74 dBA                |
