

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

**Brand:** SMEG

**Supplier's address:** Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

**Model identifier:** S8F174NF

## Type of refrigerating appliance:

|                         |    |                                |          |
|-------------------------|----|--------------------------------|----------|
| Low-noise appliance:    | No | Installation:                  | Built-in |
| Wine storage appliance: | No | Other refrigerating appliance: | Si       |

## General product parameters:

| Parameter                                                                           |                      | Value | Parameter                                                                           | Value        |
|-------------------------------------------------------------------------------------|----------------------|-------|-------------------------------------------------------------------------------------|--------------|
| Overall dimensions (millimetre)                                                     | Height with feet     | 1772  | Total volume                                                                        | 204          |
|                                                                                     | Width (mm)           | 548   |                                                                                     |              |
|                                                                                     | Depth without handle | 549   |                                                                                     |              |
| EEI                                                                                 |                      | 125   | Energy efficiency class                                                             | F            |
| Noise level                                                                         |                      | 39    | Airborne acoustical noise emission class                                            | C            |
| Annual energy consumption                                                           |                      | 292   | Climatic class                                                                      | SN, N, ST, T |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |                      | 10    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43           |
| Winter setting:                                                                     |                      | No    |                                                                                     |              |

## Compartment Parameters:

| Compartment type                 |     | Compartment parameters and values |                                                                                                                                                         |                            |                                                         |
|----------------------------------|-----|-----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|---------------------------------------------------------|
|                                  |     | Compartment volume (dm3 or l)     | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity(kg/24 h) | Defrosting type(auto - defrost = A, manual defrost = M) |
| Pantry                           | No  | —                                 | —                                                                                                                                                       | —                          | —                                                       |
