

# Ficha de información del producto

REGLAMENTO DELEGADO (UE) 2019/2016 DE LA COMISIÓN

Supplier's name or trade mark:: SMEG

Supplier's address: Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

Identificador del modelo: SBS8004P

## Tipo de aparato de refrigeración:

|                         |    |                                |                   |
|-------------------------|----|--------------------------------|-------------------|
| Low-noise appliance:    | No | Design type:                   | Libre instalación |
| Wine storage appliance: | No | Other refrigerating appliance: | Si                |

## Parámetros generales del producto:

| Parámetro   | Valor                       | Parámetro   | Valor                   |
|---|-----------------------------|---|-------------------------|
| Dimensiones totales (milímetros)  | Overall dimensions - Height | 1840  | Total volume (dm3 or l) |
|   | Overall dimensions - Width  | 910   |                         |
|   | Profundidad                 | 740   |                         |
| —   | —                           | —   | —                       |
| Airborne acoustical noise emissions (dB(A) re 1pW)                                  | 45                          | —   | —                       |
| —   | —                           | Clase climática   | SN, N, ST, T            |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 10                          | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                      |
| Winter setting:   | No                          |   |                         |

## Parámetros del compartimento:

| Tipos de compartimento           | Parámetros del compartimento y valores |  |                                    |  |   |
|----------------------------------|--|--|------------------------------------|--|---|
|                                  | Volumen del compartimento (dm3 o l)    | Ajuste de temperatura recomendado para conservación optimizada de alimentos (°C). Estos ajustes no contradirán las condiciones de conservación contempladas en el anexo IV, cuadro 3 | Capacidad de congelación (kg/24 h) | Tipo de desescarche (desescarche automático = A, desescarche manual = M) |   |
| Dispensa                         | No                                     | —  | —                                  | —  | — |
| Conservación de vinos            | No                                     | —  | —                                  | —  | — |
| Compartimento bodega             | No                                     | —  | —                                  | —  | — |
| Alimentos frescos                | No                                     | —  | —                                  | —  | — |
| Helador                          | No                                     | —  | —                                  | —  | — |
| 0 estrellas/Fabricación de hielo | No                                     | —  | —                                  | —  | — |
| 1 estrella                       | No                                     | —  | —                                  | —  | — |
| 2 estrellas                      | No                                     | —  | —                                  | —  | — |
| 3 estrellas                      | No                                     | —  | —                                  | —  | — |
| 4 estrellas                      | No                                     | —  | —                                  | —  | — |
| Sección 2 estrellas              | No                                     | —  | —                                  | —  | — |

|   |    |   |   |   |   |
