

Product fiche concerning the COMMISSION DELEGATED REGULATION (EU) No 1061/2010 of 28 September 2010

Supplier name or brand	SMEG
Product code	WHT812EIT-1
Rated capacity in kg of cotton for the standard 60 °C cotton programme at full load or the 40 °C cotton programme at full load, whichever is the lower	8 kg
Energy efficiency class	A+++
Energy consumption "X" kWh per year, based on 220 standard washing cycles for cotton programmes at 60 °C and 40 °C at full and partial load, and the consumption of the low-power modes. Actual energy consumption will depend on how the appliance is used	190 kWh
Energy consumption - Cotton 60° full load	1.090 kWh
Energy consumption - 60 °C cotton programme at partial load	0.67 kWh
Energy consumption - 40 °C cotton programme at partial load	0.66 kWh
Weighted power consumption of the off-mode	0.5 W
Energy consumption - Stand by left on mode	0.5 W
Water consumption "X" litres per year, based on 220 standard washing cycles for cotton programmes at 60 °C and 40 °C at full and partial load. Actual water consumption will depend on how the appliance is used	11000 l
Spin-drying efficiency class "X" on a scale from G (least efficient) to A (most efficient)	B
Maximum spin speed attained for the standard 60 °C cotton programme at full load or the standard 40 °C cotton programme at partial load, whichever is the lower, and remaining moisture content attained for the standard 60 °C cotton programme at full load	1200 rpm
Remaining moisture content attained	53 %
Standard washing programmes to which the information in the label and the fiche relates. These programmes are suitable to clean normally soiled cotton laundry and they are the most efficient programmes in terms of combined energy and water consumption	Cotton 60° and Cotton 40°
Programme time of the 'standard 60 °C cotton programme' at full load	240 min
Programme time of the 'standard 60 °C cotton programme' at partial load	205 min
Programme time of the 'standard 40 °C cotton programme'	205 min
Airborne acoustical noise emissions expressed in dB(A) re 1 pW during the washing phase for the standard 60 °C cotton programme at full load	57 dB(A) re 1pW
Airborne acoustical noise emissions expressed in dB(A) re 1 pW during the spinning phase for the standard 60 °C cotton programme at full load	76 dB(A) re 1pW
Built in	No

01 March 2021
